- Experience in the luxury sector would be desirable but not essential
- Understanding of sourcing, copyright, research, and analytics
- Understanding of social media metrics and measurement and how these influence content.
- Passionate, driven, and creative
- Ability to work well with a wider team but also work on their own.
- A can do, get up and go attitude.
- Extremely competent with Adobe Premiere Pro, Photoshop, or similar
- Demonstrable video editing ability with a strong portfolio
- Continuously discover, research, and implement new editing technologies

### **What are the main responsibilities? :**

- Video editing and the production of video content
- Record Video Using Professional Equipment
- Create dynamic and videos across our main social media channels
- Working alongside a well-established team
- Ensuring video content is produced to a very high standard
- Trim footage segments and put together the sequence of the film
- Input music, dialogues, graphics, and effects
- Create rough and final cuts
